Szutest declares that the aforementioned manufacturer's third-party review of referenced technical file is performed upon voluntary request. It is the manufacturer's sole responsibility to conform to the requirements of any directive/regulation and this document cannot be used a legal document to claim any type of conformity. The results of the review and this document report can only be valid unless no document under the scope of signed agreement submitted to Szutest has been changed, if the agreement terms and the agreement itself remains valid and until the date of validity stated below. For devices, the manufacturer must perform internal manufacturing and quality controls, appoint EU Representative, when necessary, provide proper solutions for essential safety requirements and must provide a declaration of conformity. This document cannot replace any of these requirements and cannot be used to claim conformance to the requirements of the manufacturer before placing the products on the market. If a device requires further involvement of a notified body, this document cannot be used to claim such involvement. This non-notified review is not a part of any type of notification for EU Regulations and is not related with the notification scope of Szutest. The current validity of the certificate shall be checked from www.szutest.com.tr
